I, the above named student, understand after having read the ***Student Drug Testing Policy*** and "Student Drug Testing Consent Form" that, out of care for my safety and health, Cabell County Schools enforces the rules applying to the consumption or possession of illegal and performance-enhancing drugs. As a member of a Cabell County Schools interscholastic extra-curricular activity or one who drives and parks on school property, or an Opt-in participant, I realize that the personal decision that I make daily in regard to the consumption or possession of illegal or performance-enhancing drugs may affect my health and well-being as well as the possible endangerment of those around me and reflect upon any organization with which I am associated. If I choose to violate school policy regarding the use or possession of illegal or performance-enhancing drugs any time while I am involved in in-season or off-season activities or driving, I understand upon determination of that violation I will be subject to the restrictions as outlined in the Policy.
